

# Launch Database

**Step 1:** Select manage after adding new credentials.

**Step 2:** click on Launch Dashboard to redirect to database page.

**Step 3:** Then click create Database and type database name.

**Step 4:** Now select Partitioning and click create.

The screenshot shows the IBM Cloudant Databases dashboard. The browser's address bar displays the URL: `26eb4b40-0ca7-4edd-90be-0c2318c3a564-bluemix.cloudant.com/dashboard.html#/all_dbs`. The dashboard header includes a 'Database name' dropdown, a 'Create Database' button, and a JSON icon. The main content area, titled 'Your Databases', contains a table with the following data:

Name	Size	# of Docs	Partitioned	Actions
virtual_eye	0 bytes	0	No	  

At the bottom of the dashboard, it states 'Showing 1-1 of 1 databases.' and 'Databases per page 20'. The Windows taskbar at the bottom shows the search bar, task view button, and several application icons. The system clock indicates the time is 08:17 on 03-11-2022.
